

Sr. Software Engineer, Web Services

Overview

Join a small cross-functional team that thrives on Feeding Innovation. Lab2Fab (L2F), a Middleby Corporation, is driven to revolutionize the food industry with the same rigor that put rockets into space and electric vehicles on the road. Come redefine food service through the use of robotics, machine learning, and IoT.

About the Role

L2F is seeking Senior Software engineers with experience in full stack development. You will be responsible for designing, and developing an Internet of Things (IoT) product. This is a high impact position with an opportunity to work in a number of technologies such as; IoT devices, Collaborative Robotics, React and Python.

Work remotely with a potential to travel around 10%-15% to support design and manufacturing efforts with our sister companies (Middleby) and its customers.

A highly qualified candidate is/does:

- BS/MS in Computer Science, Computer Engineering or a related field.
- 5+ years' experience in software development, DevOps or software architecture
- High level proficiency in C, Python, or Node\React
- Ability to work independently with minimal supervision

Bonus qualities that make you a perfect fit:

- Development experience (e.g. C/C++, Python, React.js)
- SQL Experience (e.g. Postgres, DynamoDB or equivalent)
- AWS experience: (S3, Cognito, Lambda)
- MQ experience (e.g. RabbitMQ, Redis, Celery, Amazon SQS)
- DevOps experience (e.g. Terraform, Kubernetes, Docker, or AWS CloudFormation)

Other qualities that are a plus:

- Additional development experience (e.g. Swift, C#, Angular)
- Embedded experience (e.g. IoT, Bluetooth\BLE, FreeRTOS, nRF, Zephyr)
- Experience with Linux, Databases, Shell Scripting, SQL

If you live for:

- Work in a fun fast paced company with a startup mentality
- Build designs that actually come to life
- Explore cutting edge technologies
- Appetite to learn, grow and thrive with the company
- Produce efficient and innovative software solutions

We'd like to talk to you!

Location: Remote position with potential travel around 10-15%

What to expect from us

The job description is fluid, the candidate must be flexible and ready to do what is required for the company to succeed! You'll be ensured a competitive salary, full benefits, and an outstanding opportunity to grow with an execution focused, fast moving company.

L2F Inc. is an equal opportunity employer. All qualified applicants will receive consideration for employment without regard to race, religion, color, national origin, sex, age, status as a protected veteran, or status as a qualified individual with disability. EEO Employer/Vet/Disabled
